266 Creynolds Lane, Solihull, B90 4ET

Tenure – Freehold

EPC Rating – D

Council Tax Band - F

Love Property Co are pleased to offer this rare to market, large 1817.4 sq. ft (168.8 sq. meters) Dormer Bungalow within the esteemed Tudor Grange Academy catchment area. This four/five-bedroom detached dormer bungalow is sold with ****NO CHAIN****

Creynolds Lane is situated on the outskirts of Cheswick Green Village and benefits from unspoilt views over the surrounding countryside and still within a short walk from the Village Green. Which offers a parade of local shops and restaurant, the village pub and the community centre. Together with local buses that take senior aged pupils into Solihull and to Tudor Grange Academy School, in whose catchment we are advised the property falls, and provides commuter services for the residents. Local nursery, infant and junior school are within short walking distance.

There are two comprehensive shopping facilities in the area, on the A34 Stratford Road in Shirley, and in the town centre of Solihull, both of which are approximately three miles from the property. In Solihull town centre there are also swimming baths, athletics track, railway station and Sixth Form College, whilst in Shirley the traditional shopping along the Stratford Road is augmented by the superstores on the Retail Park. There are thriving business communities in both areas and the presently under construction Provident Office and Blythe Valley Business Parks straddle the junction of the M42 motorway approximately two miles distant from the property by road. A short journey down the motorway will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station, making this an ideal position for the property situated in a semi-rural location surrounded by open fields and footpaths.

This highly desirable dormer bungalow is set back from the road behind a long decorative block paved drive flanked either side by lawns opening out to a large parking area. Raised semi-circular steps lead to the recessed French entrance doors. Internal inspection is strongly recommended.
